

# **Please open this document using Adobe Reader**

You're seeing this message for one of two reasons: Because you're trying to open this document in your web browser, or because you don't have the Adobe Reader software needed for this type of document.

## **If you opened this document in your web browser:**

- Minimize this browser window.
- Locate the document on your computer.
  - If you don't know where the document is, look in your computer's "Downloads" folder.
- Click on the document to open it using Adobe Reader.

## **If you opened this document from a location on your computer:**

- You don't have an updated version of Adobe Reader software on your computer.
- Visit <http://get.adobe.com/reader> to download it for free.
- After you install Adobe Reader, open the document again.
